QUICK CONNECT

Try our Third Party Logistics services... then try doing without them.

For 48 years L.V. Lomas has defined itself through the provision of top quality chemicals, additives and related products, with meticulous customer service to match. We want our customers to rely on us as an integral part of their business. Our culture is based on providing everything we can to help our customers achieve long term success.

Enter Third Party Logistics

To build on our history of exceptional customer care, we offer versatile, flexible and reliable Third Party Logistics (3PL) services.

L.V. Lomas can provide you with the following services:

- Warehousing (climate controlled, industrial & food grade, 24 hr security monitoring)
- Food grade liquid blending and packaging including totes and drums
- Distribution and freight services
- Bagging of multiple size packages including Super sacs
- Re-pack services (container de-stuffing, palletizing & stretch wrapping)
- Assembly of Point of Sale displays and kitting
- Bulk transloading (rail tank cars and tank trucks)
- Bulk liquid steaming - Rail tank cars, tank trucks and isotainers
- Fulfillment / Pick & pack
- Web-based inventory visibility and online reporting

We provide customized services tailored to your specific requirements.

Challenge us

We've built a company and a culture around top-level expertise, specialized resources and cutting-edge information management capabilities. We are always searching for new ways to make ourselves indispensable.
